Auctioneer's Note:

With Lenny's passing we are honored to auction his shop tools and remaining construction items. Everything looks like it was well cared-for and ready for a new home. Please note the opening bid on the Toolcat he bought last year (paid over \$72,000). This auction does not have a buyer's premium or sale tax except on licensed units. If roads are blocked due to a snowstorm, the auction will be delayed one week. Part of the day will be spent outside, so dress warmly and join us for this great estate auction.
