## Auctioneer's Note:

After many years of collecting unique items, Mark is selling this large collection at a live auction. Many of these items were purchased at farm auctions and now Mark is sharing these with you.

In addition, whoever spends the most money at the auction will have the opportunity to name a favorite local charity of their choice and Mark will donate 10% of the net proceeds of the auction to that charity. We wish to thank Jackie and Mark for the opportunity to help with their auction.
