

PERSONAL PROPERTY AUCTION

A green John Deere 430 skid steer loader is parked on a wet, paved driveway. The machine features a bright yellow seat and large, black, treaded tires with yellow rims. The front loader bucket is lowered and resting on the ground. The John Deere logo and model number '430' are visible on the side of the machine. In the background, there is a green lawn, several tall trees, and a portion of a white house with a dark roof. The ground is wet, reflecting the sky and the machine.

A John Deere riding lawn mower is shown from a side-front perspective. It has a bright yellow seat and a green body with black accents. The mower is parked on a green lawn. The John Deere logo is visible on the side of the engine housing. The front deck is yellow and has a black cover. The rear wheel is large and black, while the front wheels are smaller and black. The handlebars are black and have a steering wheel. The overall design is functional and typical of a riding lawn mower.

A green John Deere X330 riding lawn mower is shown from a side profile, parked on a green lawn. The mower features a yellow seat, yellow wheels, and a yellow deck. The John Deere logo and model number 'X330' are visible on the side of the green body.

A yellow and green Trace Vac portable vacuum unit is shown on a grassy field. The unit has a large yellow discharge hose connected to a black flexible suction hose. The brand name "TRACE VAC" is visible on the yellow side panel. The unit is mounted on a green frame with a single yellow wheel.

A blue Miller MIG welder is positioned on a black metal frame with wheels. It is connected to a large red gas cylinder via black hoses. The welder has two control knobs and a power switch on the right side. The background shows a workshop with various tools and equipment.

A red Troy-Bilt 6.5HP gas-powered shredder is shown. It features a large hopper for loading debris, a gas engine with a black air filter, and a discharge chute. The machine is parked on a wet, paved surface. The background shows a grassy area and a building.

A large, white, cylindrical air compressor tank stands vertically. The tank has a black air pump motor mounted on top. The motor is connected to various pipes and hoses. The tank features a prominent label with the 'AIR AMERICA' logo in blue and red, and the text 'AIR AMERICA' in large, bold letters. Below the logo, it says 'AIR AMERICA' and 'AIR AMERICA'. The tank is situated in a room with wooden paneling.

A red Craftsman rolling toolbox with multiple drawers and a top handle. The toolbox is shown from a front-three-quarter view, highlighting its sturdy construction and mobility. The brand name "CRAFTSMAN" is visible on the top panel. A yellow "NAPA" sticker is attached to the top left corner. The toolbox is parked on a concrete floor.

Any and all announcements made on the day of the auction supersede all printed auction marketing materials.
